Anantara Lawana Resort & Spa, Koh Samui, sits tucked along the curving north end of Chaweng Beach, one of Koh Samui's most famous and longest beaches. An ideal pairing of convenience and natural allure, the resort is only six kilometres from the island's airport and just a few minutes' walk from the buzzing nightlife, shopping and dining scene of central Chaweng, while still feeling like a tropical sanctuary.

## Accommodation

✦ **Deluxe Lawana:** Let a cool sea breeze welcome you to the island as you stand on your balcony. After taking in views of the sparkling bay or a lush tropical garden, retreat into the spacious bedroom and bathroom, including a romantic oversized soaking tub.

✦ **Deluxe Plunge Pool:** Re-live the sleepy merchant days of Koh Samui's past when you stay in this vintage-inspired room. Move from the roomy outdoor living space with its own private plunge pool to an elegantly decorated bedroom and semi-outdoor bathroom, including an indulgent rain shower.

✦ **Deluxe Pool Access:** Slip from your private deck directly into the cool waters of the pool for a few long laps. These villa clusters – perfect for groups of family or friends – were inspired by the nostalgic lifestyle of a laid-back Thai riverside village, with between four and seven villas sharing an exclusive pool of their own. Your spacious private villa includes a sundeck, complete with its own sala and garden and a large, partially open-air bathroom with a sensuous rain shower and bathtub.

✦ **Anantara Pool Villa:** Live out your tropical island fantasy in this expansive 160 square metre villa with its own private pool of more than 20 square metres. Within the villa itself, the stylish living room creates an atmosphere of elegant relaxation. The spacious bathroom features an indoor shower and outdoor rain shower, as well as two bathtubs – one open-air and the other sunken by the pool.

✦ **Anantara Seaview Pool Villa:** Revel in breathtaking views of the glittering bay from almost every angle in your luxurious villa, whether lounging on the canopy bed or relaxing in the open-air bathtub. Later, slip into the private pool or relax on your personal sundeck and garden sala.

✦ **Royal Lawana Pool Villa:** Feel like you own the island in this magnificent villa, which combines the best of island beauty with a luxury of space and fine detail. Situated above the beach, this two-bedroom, two-bathroom, almost 300 square metre villa with a private pool encompasses stunning views of the beach and the sea from almost every point of view.
